"THE FIGHTING SCHOOLMARM"
A Two Reel Mustang
Featuring Josie Sedgwick

* * *

Josie Barton, a school teacher who is making just enough money to keep the Barton ranch from falling into the hands of Skinflint Hooper, whose son Jeff wants to marry her and whose little son Willie is the despised tattle tale of the school, shelters Cliff Williams, an upstanding fellow who is being hunted down by Hooper's gang. She is caught with him in what they construe to be a compromising situation and discharged. Willie Hooper, sneaking a quiet smoke in the cupola of the school-house, sets fire to the building and is caught in the flames. Josie rescues him by throwing a rope over the belfry, climbing hand over hand to Willie's aid and jumping with him in her arms to the next roof, from which she is lifted by Cliff, who rides up just in time.

The Hoopers then quit persecuting her and she married Cliff.
